

NTLEC is pleased to be working in partnership with Mrs Penny Sheppard Headteacher from Queen's Hill Primary and Nursery School.

# Improving pupil achievement through targeted planning

## A whole team approach

**Come and find out about the 8 week rapid improvement plan.  
(One school's approach to school improvement planning)**

Learn about different roles in creating improvement plans that motivate staff and bring about improvement.

We can show you planning, staff engagement approaches, how plans are led, how we share the focus of plans with our pupils and how we judge impact.

Price includes one 'Improving Pupil Achievement' booklet per school.
