

NTLEC is pleased to be working in partnership with Sheringham Primary School to bring you the following training:

Teaching Assistants Support Programme

What the day includes:

- * Effective support of teaching and learning, including Ofsted criteria
- * Effective use of questioning to support learning
- * Supporting reading for meaning
- * Supporting progression in mathematics
- * Supporting behaviours for learning.

Teaching Assistants will generate targets to work on in their own schools. To get the most from this CPD opportunity it is recommended that Teaching Assistants share their target after each session with class teachers or their line managers so that they may be supported to work on these.

When: Monday 5, 12 and 19 October 2015 9am - 12 noon

Where: Management Suite, Thorpe St Andrew School and Sixth Form

Cost: £90 per delegate
