

# E-Safety Awareness Briefing

## Course Aim:

To provide an introduction to E-Safety and everyone's role in safeguarding children and young people in their use of new technologies.

By the end of the training, participants will:-

- Know how children and young people use new technologies
- Have an awareness of E-Safety as a safeguarding issue
- Have an awareness of the different ways in which children and young people might be harmed when using new technologies
- Be able to identify potential risk situations regarding E-Safety when working with children and young people

**When:** Thursday 24 January 2019
