

Leading with Confidence

**Are you ambitious in your career aspirations?
Do you feel ready to step up into school leadership?**

Session 1—Leading a Mentally Healthy School

In this session you will learn how to prioritise your own wellbeing and to manage and promote the good mental health of staff. We will discuss how to create a climate of healthy accountability that supports an ethos of benefit to students and pupils through the nurturing of successful interdependent relationships.

Session 2—Securing Accountability

In this session you will explore ways to create the right ethos and professional culture for achieving great outcomes. We will examine ways to establish your vision and gain the support of your team in creating a professional learning community with an intelligent accountability structure that will lead to school success.

Session 3—Managing Your Time More Effectively

In this session you will learn how to change your vision into action. You will examine ways to manage your workload as a leader, creating the right ethos and professional culture to lead change effectively. Practical advice will be given!

Session 4—Coaching and Mentoring Staff

In this session you will learn how to create an effective strategy rooted in evidence-informed practice to secure accountability through the best school improvement practices, and be relentless in staff development and management.
