Learning to Lead

A bespoke programme for early career or aspiring leaders

A programme of **six twilight sessions** to inspire and inform potential leaders. The **monthly themes** will challenge thinking and offer new perspectives. *In addition, between sessions, delegates will be encouraged to:*

- *Read and reflect*, from carefully curated research and opinion pieces.
- *Put theory into practice*, by trying small related practical tasks in their own setting.
- *Share and discuss their reading and activities*, growing in trust as a group and forming networks for future support and encouragement.

Session 1

Where are you starting from? *Completing a leadership competency framework and getting to know ourselves as emerging leaders.*

Session 2

Are your team hearing what you think you are saying? *Difficult conversations and the listening leader.*

Session 3

Are you ready to lead Learning and Teaching? *Turning your vision into action.*

Session 4

How to get it all done? *Developing a 'multi solution' approach to problem solving and making the most of your time.*

Session 5

Leading a mentally healthy team. *Ensure you take care of yourself and others.*

Session 6

Coaching and mentoring. *What can coaching and mentoring do to support you in your leadership path? Exploring the power of listening and understanding others' perceptions in developing your authority as a leader.*
