

NTLEC is pleased to be working with  
Clare Fletcher - Director of Schools at  
The Yare Education Trust

## Governor Training Sessions

NTLEC will be pleased to organise a training session/s in your school for your whole Governing body to develop their understanding of key features of effective governor practice. Price is £100 per session or £250 for all three.

### **Session 1 : Vision, Ethos and Strategic Direction** **Cost: £100**

Your school's vision underpins every decision you make as a local governing board.

A compelling 'organisational' vision is important to school improvement. It creates collective commitment to improvement and enables the school to respond positively to changes and developmental needs.

### **Session 2 : Holding School Leaders to Account** **Cost: £100**

Local governing boards have an important role to play in supporting school improvement whilst checking that the developments happening are in step with their vision for the organisation. Relationships are key. This session will cover the accountability frameworks that exist for LGBs to use and some practical suggestions of how to use them.

### **Session 3 : Monitoring in Practice** **Cost: £100**

Come and find out some practical ways that governors can support the school's improvement and development through its quality assurance role as a critical friend and interested stakeholder. Following this session you will better understand how you can carry out your role effectively and efficiently.

**Where:** Your school venue

**When:** At your convenience

To book your sessions please email: [ntlec@thorpe-st-andrew.norfolk.sch.uk](mailto:ntlec@thorpe-st-andrew.norfolk.sch.uk)
