

NTLEC is pleased to be working in partnership with Liz Keable (BSc (Hons), PGCE, MSET and MInstLM) Training Consultant and Personal Development Trainer.

Pocketful Inspiring Success, Supporting Change
Learning Pockets UK

(Session 3)- Creating Independent Learners - The Teaching Assistant's Role

(Session 3 of 3 stand-alone sessions. Book individually or the full course for a 10% discount)

For Teaching Assistants/Learning Support Assistants

On completion, participants will be able to:-

- Explain why a TAs role needs to include helping build a positive self-image for learners
- State why identifying Multiple Intelligences can support a positive self-image
- List the strategies from Renzulli's Infusion Model for supporting more independent pupil engagement
- Explain how introducing pupils to the 'Chimp' in their brain can help them to be more independent
- List a range of activities that provide the opportunity for independent thinking
- State what is required before any 'change' can be observed in student results
- Explain how Bloom's Taxonomy can be used to support the independence of an individual pupil
- Demonstrate the impact of Challenge within a collaborative learning situation
